

Notice of Public Hearing

December 18, 2012

Ref. 2013-H-01

The Canadian Nuclear Safety Commission (CNSC) will hold a one-day public hearing on the application by Cameco Corporation (Cameco) to renew its Uranium Mine Construction Licence for the Cigar Lake Operation located in northern Saskatchewan. Cameco has requested a 10-year licence term.

The current licence authorizes Cameco to perform construction activities at their Cigar Lake Operation. Cameco is seeking authorization to complete the final stages of commissioning at the facility, transition into operations, and commence shipping uranium ore slurry to AREVA's McClean Lake Operation.

Hearing: April 3, 2013
Place: Hilton Garden Inn, 90 22nd Street East, Saskatoon, Saskatchewan
Time: as set by the agenda published prior to the hearing date

The public hearing will be webcast live on the CNSC Web site and posted for a period of 90 days.

Members of the public who have an interest or expertise in this matter or information that may be useful to the Commission are invited to comment on Cameco's application. Requests to intervene must be filed with the Secretary of the Commission by March 4, 2013, directly on-line at <http://www.nuclearsafety.gc.ca/eng/commission/intervention/index.cfm> or at the coordinates below. Pursuant to the *Canadian Nuclear Safety Commission Rules of Procedure*, **the request must include the following information:**

- a written submission of the comments to be presented to the Commission;
- a statement setting out whether the requester wishes to intervene by way of written submission only or by way of written submission and oral presentation; and
- name, address and telephone number of the requester.

Personal information, such as address and telephone number, is essential for linking the submission to its author. Please submit your personal information on a separate page if you wish to ensure its confidentiality. It should be noted that all submissions are available to the public upon request to the Secretariat.

Cameco's submission and CNSC staff's recommendations to be considered at the hearing will be available after February 1, 2013. These documents are not downloadable. To obtain them, a request must be made to the Secretariat at the address below or directly from the Web site. Agendas, hearing transcripts and information on the hearing process are available on the CNSC Web site at nuclearsafety.gc.ca
