

Notice

November 17, 2008

The Canadian Nuclear Safety Commission (CNSC) makes legislative, policy and administrative decisions in accordance with the *Nuclear Safety and Control Act*. This notice serves to announce the Commission's decision made at a recently held public meeting.

Following a public meeting of the Commission held on November 5 and 6, 2008, in Ottawa, Ontario, the Commission:

1. approved the draft *Regulations Amending the Nuclear Non-proliferation Import and Export Control Regulations*, for pre-publication in *Canada Gazette*, Part I.

The minutes of the November 5 and 6 meeting will be tabled for the approval of the Commission at the next scheduled meeting on December 11, 2008. The approved minutes will be available soon thereafter, on the CNSC Web site at www.nuclearsafety.gc.ca or by contacting the CNSC.

The CNSC regulates the use of nuclear energy and materials to protect the health, safety and security of Canadians and the environment; and to respect Canada's international commitments on the peaceful use of nuclear energy.
